Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$10,000,000 in community project funding for the Town of Seymour.

The entity to receive funding for this project is the Town of Seymour, located at 1 1st St, Seymour, CT 06483.

The funding will be used for the installation and construction of a road and all infrastructure needed to support economic development of 223+/- acres of land located along Route 8 and the Waterbury Rail Line. The road project includes a 2-mile access road that will connect Route 42 and Route 67 plus the installation of public utilities (water, sewer, storm water. Electrical, Broadband and fiber optic cable). This infrastructure will leverage over \$20,000,000 in private investment from the developers, Haynes Construction and will open up a pad for 300,000 sf of retail, light industrial and healthcare space, and 200 market rate residential units. The access road will lead to the creation of over 400 new jobs in the Lower Naugatuck Valley.

I certify that neither I nor my immediate family has any financial interest in this project.

A handwritten signature in black ink that reads "Rosa L. DeLauro".
